

DOUBLE MAST NAUTICAL SERIES WITH YARDARM & GAFF

Double Mast Nautical flagpoles are designed to authentically match the original concept of the old double masted ship riggings with the Stars & Stripes flying from the mast's gaff. The top & lower mast connecting bracket as well as the gaff & yardarm bracket are specially fabricated from aluminum plate & tubing, heliarc welded and finished to match the flagpole. The resulting flagpole is one of beauty, strength and authenticity. All fittings for a complete installation are included; gold anodized aluminum ball ornament, revolving truck assembly, four halyards with swivel flag snaps & vinyl snap covers, four rope cleats with mounting screws, spun aluminum flash collar & corrugated steel foundation sleeve.

| MODEL | EXPOSED HEIGHT | OVERALL LENGTH | BUTT DIA. | TOP DIA. | WALL | YARDARM DIMENSIONS | | | GAFF DIMENSIONS | | | SHIPPING WEIGHT |
|---------|----------------|----------------|-----------|----------|------|--------------------|--------|------|-----------------|--------|-----|-----------------|
